Hiring Manager,
IFS Sri Lanka.

Dear Hiring Manager,

I am writing to express my interest in an entry-level opportunity at IFS. As an undergraduate pursuing a BSc (Hons) in Management and Information Technology at the University of Kelaniya, I am eager to begin my professional career at a globally respected company like IFS, known for its innovation and commitment to developing future talent.

Throughout my degree, I have developed a strong foundation in both business management and information technology, including areas such as data analysis, systems design, and project management. I am particularly drawn to IFS because of its ability to blend technology with real-world business solutions, and I am excited about the opportunity to contribute to such impactful work.

I am a fast learner, a dedicated team player, and highly motivated to take on new challenges. I believe that IFS offers the ideal environment for me to apply my academic knowledge, gain hands-on experience, and grow professionally.

Thank you for considering my application. I have attached my CV for your review, and I would welcome the opportunity to further discuss how I can contribute to your team.

Sincerely,
M.M. Sanjani Imesha
